

## ASSEMBLY INSTRUCTIONS

# AHOI TABLE 90 X 90 CM

### Scope of delivery:

- 4 x countersunk screw with hexagon socket, M5 x 25
- 8 x countersunk screw with hexagon socket, M6 x 12
- 1 x key for hexagon socket screws 3 mm
- 1 x key for hexagon socket screws 4 mm
- 4 x table leg, 2 x table leg connecting piece, 1 x tabletop

### Operation:

Place the tabletop on a level surface with the bore holes facing upward, Place the cardboard box underneath it to prevent scratching.

First, fit the the two table leg connecting pieces to the table legs as shown in Fig. 1 and **tighten the screws slightly**.

Then screw the frame to the tabletop as shown in Fig. 2. For Info: teak table tops are equipped with 2 traverses, HPL table tops with 4 threaded bushes.

Make sure the screw threads match, see Fig. 3. Tighten all screws slightly, then fasten diagonally.
