

# POSITIONING THE UMBRELLA WITH THE NEW HAMPTON LONG SIDE TABLE

In order to mill the bore hole for the umbrella in the correct position and size, we need a little information from you. Please select umbrella position next to the head section or in the center, enter the data on your sun umbrella and fax your reply to +49 8036 906899, or by e-mail to your contact person. Thank you!
