

ASSEMBLY INSTRUCTIONS

TRIO BISTRO TABLE TEAK

Scope of delivery:

1 x tabletop, 1 x tripod table leg with table adapter, 1 x screw set for HPL tabletop (4 x M5 x 20 fillister head screw, 1 x Allen key 3 mm), 1 x screw set for teak tabletop (4 x M6 x 25 fillister head screw, 1 x Allen key 4 mm), 4 x washer for fillister head screws

Assembly:

Place the table top on a flat, level surface with the bore holes facing upward.

The scope of delivery includes 2 different sets of screws. Please ensure you use the correct screws for the material of your tabletop! Now attach the base frame to the tabletop using the 4 fillister head screws and washers.

At first, only lightly tighten the screws. Finally, tighten them firmly, working diagonally.
