Details Upholstery covers: 100 % solution-dyed polypropylene, highly engineered outdoor yarn: 100 % recyclable, resistant to mould and bacteria as well as stains, free of hazardous substances, allergen-free, outstanding UV-resistance and excellent results in the wear test, removable with zipper.

Furniture filling: Polystyrene microspheres and synthetic wool in water-resistant polyester cover; Neck roll filling: Polyurethane foam with PES fibre in water-resistant polyester cover; Underside: Outdoor webbing for optimum ventilation and fast drying

Note The collection is available in the basic colours **Cream** and **Pebble**. In addition, the series comes in the colours Ocean, Lime and Terra, which are produced exclusively to order. Please plan for correspondingly longer delivery periods.

The actual dimensions may vary as a result of the characteristics of the product's fabric
